TECHNICAL SKILLS

Languages: Java, C, SQL, Python, MATLAB, x86 Assembly, R, HTML/CSS, JavaScript (React)

Tools & Technologies: Git, Node.js, Firebase, Salesforce (REST/Tooling/Metadata APIs), Excel, VS Code, Linux

EDUCATION

The Ohio State University – College of Engineering

Columbus, OH

BS, Computer Science and Engineering | GPA: 3.5

Graduation: May 2027

- **Relevant Coursework:** Data Structures & Algorithms, Systems Programming, Linear Algebra, Computer Networks, Database Systems, Statistics/ R, Multivariable Calculus
- **Awards:** Provost Scholarship (merit-based)

PROJECTS

Relay AI – Foster Care Coordination Platform

August 2026

- Conceptualized a shared LLM coordination system for the foster care system with per-child encrypted context stores, role-aware permissions across case workers, parents, and teachers, and an agentic layer for pattern detection
- Selected as 1 of 3 finalist teams out of 65 in Accenture's Summer AI Learning Series (SAILS); won 1st place in the final presentation to Managing Director leadership

Cell Signal Data Analysis Tool (Collaboration with OSU Biochemistry Department)

May 2026

- Processed fluorescence-imaging datasets using MATLAB table workflows to enable multi-cell tracking and quantitative signal analysis across research samples

WORK EXPERIENCE

Accenture

Boston, MA

Technology Development Program Summer Analyst

June 2026 – August 2026

- Automated the maintenance of a Salesforce field reference Excel document using custom Python scripts pulling from 4 APIs across 6,100+ fields and 82 objects — replacing a previously manual process
- Contributed to a large-scale Salesforce implementation and ETO data migration for a state housing agency, supporting a 72-person cross-functional team across technical documentation, migration mapping, and process automation

The Ohio State University College of Engineering - CARE Office

Columbus, OH

Engineering Academic Coach (ACE Program)

January 2026 – Present

- Provide one-on-one and small-group academic coaching to engineering students, helping students develop individualized problem-solving approaches and navigate early academic challenges

The Ohio State University College of Engineering

Columbus, OH

Student Grader – CSE 2321 Foundations I & CSE 2421 Systems I

January 2025 – Present

- Deliver detailed, constructive written feedback on assignments for 70+ students covering logic, proofs, asymptotic analysis, memory management, and debugging in C across two courses

LEADERSHIP & INVOLVEMENT

Artificial Intelligence Club

August 2023 – Present

Chief Communications Officer

- Lead corporate relations and external communications, cultivating industry partnerships to support sponsorships and member development for a 200+ member organization

Kappa Alpha Theta – Alpha Gamma Chapter

January 2024 – Present

Philanthropy and DEI Committee Member, Chapter Delegate

- Selected as chapter delegate for the Emerging Leaders Conference (Colorado) and National Convention (Washington, D.C.)
- Founded a clothes-lending program used by 30+ members to promote financial inclusion within the chapter

Society of Women Engineers

August 2023 – Present

Member

- Attend monthly meetings and supplemental events regarding professional development
