TECHNICAL SKILLS

- **Languages:** Java, C, Python, MATLAB, x86 Assembly, R, HTML/CSS, JavaScript (React)
- **Tools & Technologies:** Git, Node.js, Express, Firebase, Pandas, VS Code, Linux, Excel, GNU Debugger

EDUCATION

The Ohio State University
College of Engineering | BS

Columbus, OH
Graduation: May 2027

Degree: Computer Science and Engineering, Specializing in Software Engineering

- **Relevant Coursework:** Data Structures & Algorithms, Systems Programming, Linear Algebra, Computer Networks, Database Systems, Statistics/ R, Multivariable Calculus
- **Awards:** Provost Scholarship (merit-based)

PROJECT EXPERIENCE

Cell Signal Data Analysis Tool (Collaboration with OSU Biochemistry Department)

May 2026

- Processed fluorescence-imaging datasets using MATLAB table workflows to enable multi-cell tracking and quantitative signal analysis

PantryPal – AI Recipe Recommendation App (HackOH/O 24-Hour Hackathon)

October 2025

- Built a full-stack AI-powered prototype recommending recipes based on available ingredients using React, Node.js, Express, and Firebase
- Implemented authentication and Firestore integration in a four-person team

WORK EXPERIENCE

Accenture

Boston, MA

Technology Architecture Summer Analyst (Incoming)

June 2026 – August 2026

- Support client-facing projects involving cloud platforms, AI-enabled solutions, and enterprise systems
- Collaborate with cross-functional teams to analyze requirements and implement scalable technical solutions

Ohio State College of Engineering CARE Office

Columbus, OH

Engineering Academic Coach (ACE Program)

January 2026 – Present

- Provide structured academic coaching for engineering students in foundational coursework

The Ohio State University College of Engineering

Columbus, OH

Student Grader – CSE 2321 Foundations I & CSE 2421 Systems I

January 2025 – Present

- Assist with assignment grading and support 70+ students across discrete structures and systems programming topics, including logic, proofs, asymptotic analysis, memory management, and debugging in C

LEADERSHIP & INVOLVEMENT

Artificial Intelligence Club (OSU)

August 2023 - Present

Chief Communications Officer

- Oversee corporate relations and external communications, cultivating industry partnerships that support sponsorships and member development

Kappa Alpha Theta – Alpha Gamma Chapter

January 2024 – Present

Philanthropy and DEI Committee Member, Chapter Delegate

- Selected as chapter representative for the Emerging Leaders Conference in Colorado and the National Convention in Washington, D.C
- Started a clothes-lending program used by 30+ members to promote financial inclusion within the chapter

Society of Women Engineers (OSU)

August 2023 – Present

Member

- Attend monthly meetings and supplemental events regarding professional development
